

COOKIE NOTICE

Latest amendment and revision: 16 July 2025

Sumitomo Chemical Europe SA/NV ("**Sumitomo**", "**us**", "**our**" or "**we**") is using essential cookies when you visit its public website: www.sumitomo-chemical.eu ("**Website**").

This cookie notice contains more information on the use of Cookies (as defined hereinafter) on this Website ("**Cookie Notice**").

WHAT IS A COOKIE?

A Cookie is a small text file that contains a small amount of information that is downloaded on your device (e.g. computer, smartphone, electronic device which accesses the internet) when you visit or use our Website.

Cookies can be placed by Sumitomo itself ("**First Party Cookies**") or by partners we are cooperating with (so-called "**Third Party Cookies**"). Cookies contain a unique code that either allows your browser or device to be recognised during the use of our Website (a "**Session Cookie**") or also during later, repeated use of the Website (a "**Persistent Cookie**").

The server of a website can only read the cookies it has placed itself. It does not have access to any other information stored on your device. The content of a cookie usually consists of the name of the server that placed the cookie, an expiration date and a unique numeric code ("**Cookies**").

WHY USING COOKIES?

Cookies are useful because they allow websites or applications to recognize your device and to put this information in connection with other information about you (eg: your preferences) and they generally help to improve your browsing experience.

Cookies perform multiple functions, such as allowing you to navigate between pages efficiently, remembering your preferences, push personalized information based on your browsing history and more generally improving your user's experience.

The use of Cookies may involve the processing of personal data. Please have a look at our Privacy Notice via <https://www.sumitomo-chemical.eu/> to have more information on how we process your personal data and how you can exercise your rights.

In case of questions, you can contact us via SCE-DPO@sumitomo-chemical.eu.

COOKIES WE USE ON OUR WEBSITE

Our Website only uses essential Cookies to improve your experience while you navigate through the website. They are ***necessary for our Website to function*** and cannot be switched off in our systems.

Those Cookies are categorized as strictly necessary and stored on your browser as they are essential for the working of basic functionalities of our Website. Therefore, they do not require your consent.

Important: because of the technical necessity, these Cookies are placed as soon as we have informed you of their use on the Website through the cookie pop-up banner (“**Cookie Banner**”).

You have the options to accept or deny those essential cookies in the Cookie Banner. Please note that by denying said cookies, your browsing experience might be affected.

Sumitomo currently uses the following essential Cookies:

	Name of Cookie	
Name of Cookie	GDPR	reCAPTCHA*
Category of Cookie	Strictly Necessary	Strictly Necessary
Host	Sumitomo	Google
First Party Cookie / Third Party Cookie	First Party	Third Party
Purpose of the Cookie	Website essential functionality - Compliance with GDPR and applicable privacy laws	Set by Google to help verify users and prevent fraudulent activity and spam
Session Cookie or Persistent Cookie	Persistent	Persistent
Storage Period	No data collected	6 months

***Use of Google reCAPTCHA**

Our website uses Google reCAPTCHA as a strictly necessary cookie to prevent us from fraudulent activity on the Website. This Cookie verifies and checks that contact form submissions are made by humans and to protect the site from spam and abuse. This cookie verifies whether the data entered on our website/contact form have been entered by a human or an automated program.

When visiting and using our Website, reCAPTCHA is collecting information related to the user's browser, device and IP address. The data collected through reCAPTCHA is processed based on legitimate interest in preventing abuse and solely used for security purposes to prevent fraudulent activity and spam. ReCAPTCHA analyses various information which is transmitted to Google. This is important to comply with the transparency requirements included in the applicable data privacy laws and regulations.

The reCAPTCHA Cookie is subject to Google's Privacy Policy and terms of use which are available here [Privacy & Terms – Google](#).

Potential future changes to this Cookie Notice

Sumitomo reserves the right to amend this Cookie Notice from time to time in order to adapt it to updates on our Website or changes in line with legal and regulatory requirements. Amendments to this Cookie Notice will take effect at the time of publication.

In case of questions, you can contact us via SCE-DPO@sumitomo-chemical.eu.
